SUPPLEMENTAL DISCLOSURE STATEMENT

Commissioner of Patents and Trademarks
Box **Patent Application**
Washington, D. C. 20231

Dear Sir:

In supplementation to the above-identified patent application filed contemporaneously herewith, enclosed find additional disclosure materials, including 5 sheets containing 10 photographs A-J showing details to the invention depicted in the formal drawings.

The above information is provided for purposes of assuring completeness of the disclosure of the invention and to avoid adding new matter should amendments later be required to the Figures. The photographs are intended only to support the disclosure depicted in the formal drawings submitted with the application and should not be construed as photograph drawings.
